Situated on the outskirts on the village of Kambia these two adjoining plots have unobstructed views towards Souda Bay and the White Mountains.

The breathtaking views from these plots are protected due to the gorge and forestry area in front. There is also a stunning backdrop with the steep hillside to the rear.

Located at the end of a winding tarmac road these plots are wonderfully peaceful and yet just a five-minute drive from the lively year-round village of Plaka and the beach resort of Almerida.

As there is currently no building permit on these plots, the buyer can choose their own style of property.

A great opportunity to purchase one of the best plots in Kambia.
