PLOT SIZE: 3,391 m²

BUILDS: 200m²

SUMMARY:

This plot overlooks Souda Bay and has fantastic sea and mountain views.

It is located within the perimeteric area, which means that any building work must be at least 5m inside the plot boundary.

This plot is nice and flat making construction easy and there is a boundary wall on 75% of the plot. Water and electricity supplies are available on the neighbouring plot.

Kokkino Chorio and Plaka villages with their shops and tavernas are only a few minutes drive and a little further the beach resort of Almerida is found with its many amenities.
