PLOT SIZE: 4,504m²

BUILDING ALLOWANCE: 186m²

Lovely plot for sale in the most sought after village of Kokkino Chorio.

Ideally located in a very peaceful environment, yet within walking distance from the traditional Cretan village of Kokkino Chorio.

The plot is just slightly sloped, enough to guarantee the lovely views towards the bay of Souda.

The plot is flat making it easy to build while water and electricity supplies are to be found on site.

It is easily accessible as it is located just on the main road leading from Plaka to Kokkino Chorio, a few hundred meters away from the famous "glass factory".

The 186m² building allowance is enough for a large luxury villa that could easily rent out or for permanent living!

The beach resort of Almerida with its numerous amenities is just a 10 minutes drive away.

Wonderful, easy to build plot with lovely unobstructed views!!
