PLOT SIZE: 3 X 2,000m²

BUILDS: 3 X 200m²

This plot, located within the perimeter area of the village of Xirokambi some 4km inland from Maleme, is planted with olive trees.

It has fantastic sea views and water and electricity supplies are available nearby.

There are three plots each of 2000m² which have a building density of 200m² each suitable for building either one large property or several smaller villas possibly for holiday rentals.

In the lively village of Maleme amenities such as a bakery, butcher, vet, pharmacy, supermarket, tavernas and kafeneons can be found as well as local transport links.

Topographic plans and further details of the plot are available.
