The bathroom is equipped with a bathtub and houses the washing machine.

The double bedroom has with a free standing wardrobe, a reversible air-conditioning unit and a TV. A door gives to a covered veranda with outdoor furniture.

The property benefits from an additional 70m² of building allowance, thus offering the possibility to add a floor on the roof.

EXTERIOR

The plot is entirely fenced and walled, and the surface is tiled or covered with gravel for easy maintenance. The garden wraps around the house and the wooden fence secures the privacy.

At the side of the house, an exterior staircase leads to the large tiled roof terrace, the ideal place to enjoy the beautiful sea and mountain views, soak up the sun or just relax with a book. The terrace is secured with a wall and under the stairs there is a small but handy storage area. An additional shed is installed for yet more useful storage space.

The tiled area around the pool has space for sunbeds and exterior furniture.

THE AREA

Darmarohori is a small village inland, just a short 5 minute drive to the coast. The well-known village of Vouves with its famous ancient Olive Tree and a traditional taverna are just a village further up the road.
