18 Luxury 2 and 3 bed Townhouses - all fully furnished and with air conditioning.

The properties are situated on the edge of a wonderfully peaceful village, set in landscaped gardens with a very large pool, BBQ area and much more.

All properties have the option of an EOT (Tourist Board) license included in the price. This means that your holiday home can also be a great investment - producing rental income for you.

Souri Village Resort was newly built in 2008 by a Danish developer, Danish engineer and Cretan architect - ensuring the very highest quality of design builds and finish. All 18 houses are completely furnished and equipped - key ready for a wonderful Cretan experience.

The Souri Village Resort is full of well established beautiful Greek flowers, trees and plants - all contributing to a welcoming, relaxing atmosphere. The gardens are beautifully landscaped with colourful displays throughout the spring and summer.

The houses are located on the edge of a wonderful, peaceful small village called Souri. This traditional village is located a very short distance from the larger villages of Vamos and Georgioupolis and is only 31 km to the city of Chania and 37 km to Chania airport.

All the houses are unique and very tastefully designed with a fully fitted kitchen-dining area, a great living area, beautiful

bathrooms, at least two bedrooms, great sunny terraced areas and a large storage area in the basement.

The houses are also completely furnished and fully equipped for a luxurious stay, including all furniture, tableware, outdoor furniture and BBQ.

The Souri Village Resort also offers beautiful, well constructed shared areas, parking spaces, paths and well established gardens. There is a fantastic pool and BBQ area for both adults and children. With extensive terraces for sunbathing, comfortable furniture, parasols and a large BBQ for general use.

The properties have several nice sun terraces or balconies for both sun and shade and all homes have their own gardens surrounded by small stone walls.

The site has pool and garden maintenance in place and offers fixed yearly maintenance fees with the addition of property management personnel available for villa maintenance, cleaning, changeovers and any other services required.
