HOUSE SIZE: 330m²

PLOT SIZE: 1,371m²

This very attractive, high-quality luxurious stone-built villa is located on a small hill in the traditional village of Kera. The villa enjoys stunning sea views while olive groves stretch down to the sea forming a luscious green carpet that blends with the endless blue....

This stunning stone villa is located in Kera, just 2km from the sandy beaches of Kalyves and Almerida. From this picturesque village you can enjoy the spectacular views of the White Mountains on one side and the Aegean Sea on the other. The historic town of Chania with its beautiful Old Town and unique Venetian harbour is only 30 minutes by car. Kera village is an ideal location for all those who seek serenity and relaxation away from big cities. The golden beach of Kera Bay is just a couple of minutes away.

The villa consists of two levels plus a lower floor with a separate guest accommodation. The ground level consists of a spacious living/dining room, a comfortable fully-equipped kitchen, and a modern shower room. Spacious balconies offer unobstructed views to the sea and the surrounding area.

Marble steps lead to the top floor which comprises three large bedrooms and a huge bathroom with a full-length bathtub. The master bedroom features an en-suite walk-in shower, floor-to-ceiling mirrored wardrobes and its own private balcony. The other two bedrooms lead to a large balcony overlooking the sea and the pool area.

The lower level is a comfortable independent guest accommodation comprising a large bedroom with en-suite bathroom, living/dining area, fully-equipped high-standard kitchen, bathroom with a walk-in shower, utility room and a large extra space that could either be used as an office,

bedroom or storage. There is a separate entrance as well as internal access.

The sophisticated décor and the modern amenities provided by this stone-built villa offer perfect conditions for a relaxing and pampering stay. The walls are 50cm thick thus keeping the house cool during the hot summer months and warm in the winter.

The perfect combination of the modern and the classical, the selection of high quality materials, the surrounding colours and hues, the spectacular view and the absolute tranquility create a truly luxurious atmosphere.

There is an outdoor 48m² swimming pool where you can take a refreshing dip, enjoy your drink while working on your tan and relax. The pool is surrounded by large tiled areas providing a lot of space and comfort. A well-kept lawn is to be found as well and a covered BBQ area.

The villa is fully equipped for the winter time, with full electric heating system and a fireplace for atmosphere.

This house represents comfort, luxury, space with high-quality building, fixtures, fittings and equipment.

This truly luxurious villa is ideal as an investment for rentals or as a permanent home. Imagine yourself comfortably seated behind the large windows of your villa enjoying the beauty listening to the crackling sound of the wood burning in the fireplace during the winter time
