**PRICED AT  
€150,000**

**HOUSE SIZE: 85m<sup>2</sup>**

**PLOT SIZE: 500m<sup>2</sup>**

**A lovely, modern, two-bedroom property with large garden in the peaceful village of Drapanos.**

**Just a short stroll from tavernas and shops and less than 10 minutes from Almerida's golden beach.**

This lovely, partly-finished property is set in the peaceful village of Drapanos.

The village, which is literally a minutes' walk, has tavernas, cafes and shops. Almerida Beach is only a 10-minute drive away as are the villages of Kefalas and Paleloni.

The plot enjoys distant mountain and sea views and has a high building allowance; it has great potential to add further value as a small hotel or retirement village development.

The property will be completed by the builder to a high standard, and will include air conditioning units throughout and pipework for central heating.

The access is directly from a tarmac road in the centre of the village. The entrance is elevated from street level via a staircase with solid wall balustrade.

This «upside down» house has two bedrooms on the ground floor, keeping them cooler in the summer, and the living area and kitchen on the top floor, offering more open views.

The two good-sized bedrooms on the ground floor have large French doors opening to outdoor tiled terraces and are equipped with modern wardrobes. The fully-appointed modern bathroom features a wall-to-wall tiled shower with a glass door.

Tiled steps lead to the first floor consisting of an open-plan living/dining area, a U-shaped modern kitchen and a well-appointed guest WC. French doors open to a tiled terrace with views.

There is a possibility to make a roof terrace, accessed via a spiral staircase, or to extend the villa subject to planning approval.

The 500m<sup>2</sup> plot is not fenced at the moment; the owner is prepared to negotiate preferred land size, or any other proposals from prospective buyers.

There is a possibility to build a swimming pool and landscape the garden area. This property is ideal for short-term holidays or for year-round living.

## **'A perfect holiday home from home'**

### **Features:**

- Solar panels
- Air conditioning throughout
- Fly screens and aluminium shutters
- Wardrobes
- Water tank
- Extra storage under the stairs
- Possibility to build a roof terrace
