AMAZING OFFER : NOW FOR ONLY 185.000 A STONE BUILT 3 BEDROOM VILLA!!! DON'T MISS THIS UNIQUE OPPORTUNITY!

Beautifully designed stone villa on a big plot near the popular village of Kokkino Horio.

A large 3 bedroom home with the most amazing views across Souda Bay.

This exceptionally well designed and finished villa is built from traditional stone and incorporates many beautiful features such as stone arches and niches, wooden doors and windows and many private terraces and balconies.

The ground floor consists of an open plan space, including a relaxed sitting room / lounge, a high quality fully fitted kitchen with a dining room, a small storage room under the stairs which houses the washing machine, a spacious bathroom adapted to a wheelchair and with a large walk in shower, and a separate bedroom with a private terrace.

A wooden door leads to the shady covered terrace area with 2 beautiful stone arches, which is big enough to install a dining table or a lounge set, the perfect place to wine and dine and avoid the heat during the hot summer days. Screens have been installed for protection on windy days, thus expanding the living area. This area can also be accessed from the kitchen.

Tiled steps lead to the top floor with 2 double bedrooms and a bathroom with a full length bathtub. The master bedroom is equipped with a double wardrobe and patio doors opening to a private terrace with a pergola and an amazing panoramic view across the Bay of Souda. The second bedroom also has a private balcony, and there is an additional terrace facing the sunny

south, ideal for the winter months as it is protected from the north winds.

Additionally, there is an 18m² garage and the plot has plenty of space to build a pool.

Kokkino Horio with its taverna and shop is only a couple of minutes away by car, whilst the larger villages of Plaka and the beaches at Almyrida and Kalyves are all close by.

This is a wonderfully designed property in a stunning location offering the perfect home or first class holiday retreat.
