HOUSE SIZE: 218,27m²

LAND SIZE: 326,20m²

Beautifully renovated, unique 4 bedroom - 3 bathroom part stone villa, located in the traditional Cretan village of Xirosterni!

This unique property has kept many of its traditional features whilst still bringing it into modern day living. The house was renovated in 2017 by the previous owners and has been fully renovated again over the past 2 years by its current owners.

INTERIOR:

Next to the main entrance of the house is a separate covered entrance leading into the studio guest bedroom and en-suite bathroom, beautifully decorated! This room has a permit of 5.76m² in place, to extend outwards, in order to include a kitchenette or extra storage space.

Through the main entrance you come into the beautifully tiled open plan lounge, with traditional stone wall features surrounding the front door and a lovely stone arch separating the kitchen from the living room.

Next to the living room is the ground floor bedroom, equipped with a ceiling fan and TV, and will include all furniture.

The ground floor fully tiled bathroom at the end of the hall, has a large walk in shower with an area for a washing machine and also includes a large heated towel rail.

Another beautiful stone arch gives access to the dining room which has double doors leading onto the west side of the villa and directly onto the village road. There is also a smaller opening leading directly into the kitchen for easy access, to serve all your family and friends the traditional Greek cuisine!

The newly-built kitchen is fully equipped with dishwasher, extractor fan, integrated hob, oven, microwave, freestanding fridge freezer and a lovely bespoke wood burning stove. All electrical appliances are less than 2 years old.

From the kitchen area a spiral metal staircase leads to a landing area which is currently used as an office space. From here there is access to two very spacious double bedrooms.

To the right is a large guest bedroom with 2 separate doors leading onto the front and side of the spacious terrace and enjoys great views of the White Mountains and sea.

The recently built master suite has a private large dressing room with a beautiful free standing roll top bath and wardrobe storage space. Through a stone arch you enter the bedroom waking up to beautiful sea view every day. This bedroom also has an en suite bathroom with lovely features such as rainfall shower, under sink storage and his and hers sinks!

Patio doors open onto the very large roof terrace and dining area with great sea and mountain views. There is an open pergola covering the patio doors.

EXTERIOR:

The enclosed landscaped garden is mostly graveled and has a watering system in place. Many seating, dining and sun lounge areas are found along the house's side and in front of the main entrance.

There is an external staircase leading from the ground floor garden/lounge area onto the spacious first floor terrace.

There is a planning permission for a BBQ area of 9m², covered by a tiled pergola, as well as planning permission for a private swimming pool of 24m². All permits and architectural designs are available.

To the back of the property there is a spiral staircase leading to a second terrace with amazing 360o views of the White Mountains and sea! The solar panel is installed here.

THE AREA:

The property is located in the heart of the traditional Cretan village of Xirosterni, in the well known municipality of Apokoronas. There is a mini market within easy walking distance.

The larger village of Vamos is just a short drive away and offers all types of amenities all year round, including medical center, police station, schools, post office, super market, cafes, restaurants and many more.

The famous beach resort of Almyrida is 10 minutes driving and one can enjoy its sandy beaches, water sports and numerous shops, cafes, bars and restaurants.

A truly unique and spacious property, equipped for all year round living or as a holiday home with great rental potential!!!

A property worth visiting!!!
